## FBCAS Monthly Shelter Statistics Report – July 2019

From July 1, 2019 through July 31, 2019, the overall save rate for FBCAS was 94%. The save rate for dogs was 98% and for cats it was 90%.\* The overall save rate for FBCAS utilizing the formula through the Best Friends Community Dashboard was 93.3%\*\*

- 113 feral/community cats were returned to field as part of our Community Cat Program for July 2019.

### **Dogs:**

- One dog was an owner requested euthanasia due age and health.
- One dog at FBCAS after testing positive for Parvo
- One dog was humanely euthanized after complications from spay surgery.
- One dog died in care after being found unresponsive in the field.
- One dog was lost in care.

### **Cats:**

Once again, we had a number of kittens who come in as neonates who failed to thrive and the babies who are already suffering from illness before they are brought into the shelter.

- In July, we lost 14 kittens under 5 months old that died in care and were either failure to thrive or had upper respiratory infections that did not respond to treatment.
- Two cats died in care. One cat was severely injured on intake. Once community cat failed to thrive.
- One cat was humanely euthanized as part of a heat to lab bite investigation.
- Five cats were humanely euthanized for medical reasons.

\* Beginning and ending shelter totals have an acceptable variance of .5% due to database variances in intake and outcome dispositions of the shelter population.

Our dedicated staff would like to thank all of our adopters, rescue partners, fosters, volunteers and community members who played a part in every life saved at FBCAS this month.

\*Formula used to include Owner Requested Euthanasia and head to lab bite investigations: Intake minus all euthanasia outcomes divided by intake minus owner requested euthanasia

\*\* Best Friends Community Dashboard formula: [(Live Intakes, including Owner Requested Euthanasia)-(Died in Care)-(Lost in Care)-(Shelter Euthanasia)-(Owner Requested Euthanasia)] divided by Live Intakes
